Service rules

- The price covers exactly 4 monthly visits. A 5th visit is not included.
- Assigned staff follow the routine; Premium Duo includes two professionals. An exceptional replacement may be necessary because of an absence, leave or operational constraint.
- The client makes surfaces accessible, prepares clean sheets and reports risks, pets, allergies and products to avoid.
- Quality is monitored, but the plan remains recurring upkeep based on priorities; it is not unlimited deep cleaning at every visit.
